PSC CONTRACT CAMPAIGN

— KICK-OFF —

Monday, December 4

On Monday, December 4, take a stand for the contract we deserve.

Say NO to more austerity and YES to a fair, timely contract.

Our demands include:

- ⇒ 5% salary increase per year of the contract for all faculty and staff
- ⇒ \$7K per course minimum for all adjuncts
- ⇒ Targeted salary increases for the lower-paid full-time titles, CLTs and Lecturers
- ⇒ Improved HEO job security and improved access to \$2,500 differential
- ⇒ Material support for department chairs
- ⇒ Tuition waivers at CUNY for our children
- ⇒ Protection of our rights when using distance learning
- ⇒ Tuition waivers in final years of study for graduate employees
- ⇒ Anti-bullying language
- ⇒ Improvements for non-teaching adjuncts, adjunct CLTs and Continuing Ed
- ⇒ More reassigned time for union work to protect our rights

We demand that the contract be fully funded—without increasing tuition for CUNY students!
