1 2	Support and Defend Defined Benefit Pensions at both State and Federal Levels for all Public Employees
3	
4	Whereas, many employers in the private as well in the public sectors are moving to a
5	defined contribution pension plan; and
6	
7	Whereas, defined contribution plans could subject workers to the unpredictability of the
8	stock markets; therefore be it
9	
10	RESOLVED, that NYSUT and its state and national affiliates will continue to
11	defend defined benefit pensions at both state and federal levels for all public employees as
12	well as those in the private sector.
